

CITY OF NORFOLK
DEPARTMENT OF UTILITIES

**REQUEST FOR PROPOSAL
NOTICE**

Safe Drinking Water Act Response Program

The City of Norfolk will receive proposals relative to the provision of engineering services in connection with the Safe Drinking Water Act Response Program.

Proposals will be accepted in the Director's Office, Department of Utilities, 400 Granby Street, 2nd Floor, Norfolk, Virginia 23510 until 3:00pm, July 30, 2012.

Firms desiring to be considered for this work must submit six (6) copies of their proposal showing evidence of their qualifications and experience to perform the required services.

There will be a non mandatory pre-proposal meeting at Moores Bridges Water Treatment Plant at 10:00am, Monday, July 16, 2012. Contact Keri Cahoon at 441-5774 ext. 222 to attend the pre-proposal meeting.

The Request for Proposal must be obtained from the Director's Office, Department of Utilities, 400 Granby Street, 2nd Floor, Norfolk, Virginia 23510 in order to submit a proposal. Should any addenda be necessary, copies will be sent only to those who are listed on the RFP Proposer list. Interested firms must contact Azizi Parker via email azizi.parker@norfolk.gov or call 757-664-6767 to receive an electronic copy of the entire Request For Proposal and to be added to the RFP Proposer list. Information about the Request for Proposal is on the City of Norfolk's web site http://www.norfolk.gov/Utilities/engineer/rfps_and_bids.asp, or www.demandstar.com for viewing purposes only. For further information contact Chris Harbin at 757-441-5678.
